

LUNA*e*/SOL

OUR DRINKS PHILOSOPHY

The Bar at Luna Et Sol transcends the ordinary, a realm where flavour and imagination converge. Each cocktail is a narrative of craft and emotion, elevated by a quiet sense of theatre. Local botanicals and rare, small-batch spirits meet unexpected ingredients in compositions that are effortlessly refined - modern in spirit, timeless in soul.

The Twisted Classics reimagine iconic favourites with bold sophistication: whiskey deepened by shiitake, martinis warmed by roasted coconut, highballs alive with a spark of Sichuan pepper. Every creation is an experience of aroma and artistry, designed to captivate the senses and linger beyond the final sip.

At Luna Et Sol, the bar isn't just where drinks are made - it's where stories are poured and every sip takes you beyond the ordinary.
